

# COMMUNITY GATHERING SPACE SOLIDARITY URBAN FARMS

## About:

After acquiring two plots of land with excellent shade that were close to their farm plots, Solidarity Urban Farms saw the potential to further enrich the community's long-term health. Their goal included having a dynamic and inclusive outdoor gathering space near the farm plots to run outdoor educational workshops, meetings, and outdoor cookouts. They used the Healthy Places Grant to:

- Install outdoor counters and a concrete base

Now a permanent gathering space, the outdoor plot will continue to serve the community as a space to host classes about growing food!
